

A RESOLUTION OF THE CITY OF WHITEWATER, KANSAS, SUPPORTING AT&T'S PLAN TO
BRING 4G LONG TERM EVOLUTION (LTE) WIRELESS TO WHITEWATER, KANSAS

WHEREAS, the City recognizes the importance of having advanced mobile broadband capabilities in order to attract businesses and residents.

WHEREAS, the City encourages industry investment to bring the fastest connectivity to our communities.

WHEREAS, the merger between AT&T and T-Mobile will allow AT&T to expand its deployment of 4G Long Term Evolution (LTE) advanced mobile broadband service to more than 97% of the U.S. population to reach an additional approximately 55 million more Americans beyond current plans.

WHEREAS, AT&T's plan to bring 4G LTE to more than 97% of Americans if the merger is approved includes many rural communities and small towns, including communities like Whitewater, Kansas.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF WHITEWATER, KANSAS:

SECTION 1. The City Commission expresses support for AT&T's investment in wireless coverage for rural America.

SECTION 2. City Commissioners are authorized to be supportive of measures to bring 4G LTE coverage to the community of Whitewater, Kansas.

ADOPTED, this ^{27th} day of ^{June} ~~July~~, 2011.
